

NEDERLAND FIRE PROTECTION DISTRICT
MONTHLY REPORT FOR BOARD OF DIRECTORS

REPORT GIVEN BY: Michael Scott – Fire Chief
DATE: 07/20/2022

ACTION ITEMS

Swearing in of Recruit Firefighters

FOLLOW UP

- Roof Update (Completed with Station #1)
- Bay Door Update (Broken Opener)
- Phone system (Completed)
- 5631 pump updates (Pump & Tank ordered)

OTHER UPDATES/INFORMATION

- I had the opportunity to read firefighting books at the library for kid's story time. There was a great showing of kids and parents. We also had a show and tell for the kids as we had several trucks there for them to learn about. Special thanks to Scott Papich, Mandi Papich, and Captain Schmidtman for all the help.
- Had the opportunity to be one of the instructor cadres for the Fire Instructor 1 class held for Boulder County Fire Departments. Great class and we had two firefighters sign up and one complete.
- Proctored Hazmat Technician test and EMS skills for Larkspur Fire. We will be having there training Lt. coming to Nederland to speak on firefighters mental very soon.
- CDOT has advised us that the NFD District signs within our district must be blue background white lettering and no graphics. We will continue to move forward with the permits for District signs. With the County Fire Ban the question has been ask are we duplicating efforts of communication.
- Had a meeting with Sugarloaf Fire about the houses we respond to and what the District looks like as we work together to mitigate hazards. We are reaching out to our lawyers to get a clear understanding of our capabilities.
- The Terminix contract NFPD had in the past has been re-implemented do the rodent challenges we have faced at station 1. We will keep a close eye on the things so the problems can be mitigated.

NEDERLAND FIRE PROTECTION DISTRICT MONTHLY REPORT FOR BOARD OF DIRECTORS

Operations/ Wildland

- Farmers Market attendance has been going very well especially this month's Peak to Peak festival.
- New 5624 is in service and we are looking at how we can take the old 5624 and put it on the market. All the extrication gear has been removed from old 5624 and installed on 5601. New mounts have either been made or purchased to hold all the equipment.
- The Apparatus Committee has been working on vehicle check, changes, and recommendations. They have completed great work and look forward to the future. The committee is also working on updating the apparatus information sheet we should have that ready very soon.

Safety/ Training

Immediate Safety Issues-

No immediate safety issue to report for June.

Injuries-

1 Firefighter sustained an isolated soft tissue injury during a call involving a wildlife encounter.

Exposures –

No exposures to report for June.

Training

In-district training completed-June

- 1) Both PRN paramedics completed their district orientation rides and packets.
- 2) Engine company operations drills occurred on 6/11. We have been drilling hard on basic engine operations through individual "office hours" and were able to bring these skills together on this training.
- 3) Several firefighters attended S130/190 this month, and all are now certified wildland firefighters with issued red cards. Congratulations to all of them!

NEDERLAND FIRE PROTECTION DISTRICT

MONTHLY REPORT FOR BOARD OF DIRECTORS

- 4) Thermal Imaging training was provided by Lt. Brooke Elder from AFPD. This was a great training that introduced some expanded tactics using a thermal imaging camera.
- 5) Two days of pump training was provided by DFPC with the mobile pump training trailer. This training was attended by NFPD members as well as TLF and SLFD. This was a very successful training that was well attended.
- 6) Congratulation to Lt. Joslin on completing his Fire Instructor 1 certification!

Outside Training

- 1) Lt. Joslin attended Fire Instructor 1 at Boulder Rural FPD.

Large Scale Training Projects

- 1) We have seen an increase interest in mutual aid training with Timberline Fire and Sugar Loaf Fire. We had members from these agencies at two of our June fire trainings. The training officers from each agency are currently discussing future opportunities to expand regional multi-agency training offerings.

EMS

- Field training completed for two previous hired PRN medics, and they have both worked independent shifts, Cameron Moran ran 10 calls and Eric Lucas ran one. Have gotten positive feedback from members who ran calls with both. Interviewed two PRN paramedics who shined in the interview process. We currently are doing background checks before we make an offer. This will be the last two to make our total at 4. Field training scheduled for them both pending return of background checks
- Ordered Junctional Tourniquet for 5621 to help with major bleeding where a standard TQ would be ineffective.
- Followed up with State RE education group application and we are still awaiting state approval.
- Explored obtaining the pediatric medication dosing system named Handtevy system and the app with Retac funds as purchasing outright is cost prohibitive for our agency. If this fails, we will continue using the dosing as specified for pediatric EMS response.
- Supply Chain issues continue to complicate medical supply ordering; There have been several methods needed to mitigate the challenges. We have been granted a 90-day expiry date extension from Dr. Sovndal for Amiodarone.

NEDERLAND FIRE PROTECTION DISTRICT

MONTHLY REPORT FOR BOARD OF DIRECTORS

Fire Marshal

Fire Code Updates:

- 2018 IFC adoption with recommended changes from the Boulder County Fire Code Review Committee submitted to the NFPD Board of Directors for approval. The County Fire Code Review Committee has scheduled a meeting with the County Commissioners to approve the adoption pending a NFPD Board of Directors resolution.

Projects:

- Firewood sales during active Fire Restrictions – flyers and signs made and posted at B&F and ACE. Working with TNT to insert flyers into the bundles; the owner, Tom, has agreed to insert the flyers as needed.

Routine Inspections:

- Methodology has been modified to create and file reports digitally using Teams. This has streamlined the process, allowing more time for rectifying violations with business owners.
- 17 business inspections were completed in the month of June.

Ongoing Activities:

- Past Events –
 - a. June 4, Town Clean-up Day. Town appreciated presence of NFPD and was very thankful for those who helped hands-on.
 - b. Ongoing Events at Chipeta Park – Soccer Camp, weddings, funerals, all seem to have minimal/negligible impact on The Distri

Upcoming Events:

- a. August 20, Jazz & Wine Fest – Estimated 700 attendees with alcohol sales. Could expect to run a call to the event. The coordinators of the event will keep access roads to the field open and clear for emergency access.

Training:

- a. Completed Fire Instructor 1 training and passed state exam.
- b. Working on finding an appropriate IFSAC/ProBoard Fire Inspector 1 training opportunity. So far, Louisiana, Mississippi, and Alabama Fire Academies
