ADDRESS SIGN INSTALLATION INSTRUCTIONS

1. Make sure your address sign meets our requirements - www.nfpd.org
2. Select a metal post - we recommend a U-channel post.
3. Select the location to drive your post.
 - o No more than 10 feet from the main driveway and road intersection.
 - o The sign must be visible from both directions (double-sided).
4. Drive the post so the top is between 4 - 6 feet above road grade.
